Statement to live by:

I know when to ask for help and who to ask for help from.

Please DO NOT PARK on the grass verges. I have received complaints from residents and the Police are not happy.

The new calendars will be attached with the newsletter and will be placed on the website.

Dear Parents and Carers,

I hope you had a restful Easter and enjoyed time together. It was uplifting to see a glimmer of sun on the last weekend so let us hope that we have some sunshine to look forward to.

Once again the Easter break has been busy making improvements to the school with the final stage of internal artwork completed. The Year 5 and 6 classrooms are now surrounded by inspiring figures from History. The children have had fun today trying to name them all. We have also transformed the Art room into an additional support space called 'Explore'.

The term started with excitement as our Year 4 pupils set off on their trip to the British Museum in London. I understand that they had a fabulous day and brought all their learning last term about Egyptians to life.

We are approaching our busy time for assessments and I know the children are working very hard to achieve their very best. Please do ensure holidays are not in term time and give your child the best chance to benefit from their lessons.

And finally put the **May Fair** in your diary and I hope as many families can join us as possible. It looks to be even bigger and better than before and I know it is an event enjoyed by all. Watch out for the flyers and appeals from FoSB to collect chocolate, bottles and other items to sell.

Please make a note of all the diary dates and I am looking forward to an exciting term ahead.

God bless, Mrs Clewlow

We are closed for our INSET day on Monday 17th June
