Smoking: Since July 2007, it has been illegal to smoke in any enclosed or substantially enclosed public place or vehicle that is open to the public.

In line with this law, smoking is forbidden anywhere within the St. Bernadette's School site. For the sake of clarity, the St. Bernadette's School Site [the school] is defined as anywhere with the school boundary which includes St. Bernadette's Primary School, playgrounds, playing field, drives, school gate areas etc., St. Bernadette's School and St. Bernadette's Nursery and all buildings and sheds on the school site.

- We will display approved Smoke-Free No Smoking signs clearly on the entrances to the school, and throughout the buildings.
- Anyone who attempts to smoke on the premises will be asked politely to take themselves off-site. In the event of someone becoming aggressive or abusive we will call the Police. Staff should not enter into any confrontation that may put their personal safety at risk
- Any staff members who smoke are required to leave the site when doing so and should not wear clothing that identifies them as a member of staff. Arrangements for staff smoking breaks should be agreed with your line manager. Smoking breaks should be taken as part of official breaks and not as additional breaks.
- All visitors, contractors and delivery staff to the school site are required to abide by this policy. Smoking & Home Visits
- When visiting families homes staff are entitled to request that parents and other persons present at the time of the visit refrain from smoking for the duration of the visit.

Illegal Drugs and Alcohol:

- Illegal drugs are forbidden anywhere on the school site. This applies to all children and families using the centre, all staff and student/placement volunteers. It also applies to all parents/carers, staff and volunteers taking part in off-site activities organised by the centre.
- Alcohol should not be consumed on the school site other than on a preapproved basis.
- Staff members, parents and carers should not bring alcohol onto the school site other than on a pre-approved basis.
- Any staff member, who appears to be under the influence of alcohol, illegal drugs, or legal drugs which prevent them from fulfilling their duties, will be asked to leave the premises immediately. Where necessary disciplinary procedures will begin. If there are serious concerns about a staff member's use of drugs or alcohol outside of the working hours we will review the impact of this on their ability to fulfil their duties.
- Use or supply of illegal drugs or solvents on the school site will be treated with the utmost seriousness. Where illegal substances are discovered we will inform the Police.
- A parent /carer supervising a child while under the influence of drugs or alcohol: Where parents/carers appear to be under the influence of alcohol or drugs that will impair their ability to care for their child, we may call the police and or Milton Keynes Children's Social Services. We will do our best to persuade the parent/carer to keep their child on the premises (if suitable care is available) or to find an alternative appropriate adult from the child's school records to come and escort them home and provide care. If the parent/carer insist on leaving and we are concerned about the family's welfare or another carer can't be sought, we will call the Police and Children's Social Services, and seek a consultation with a duty social worker as outlined in our Child Protection Policy.
- If there are concerns about the impact of a parent/carer's substance misuse upon the child outside of the school site we will follow our Child Protection Policy.

Legal and Prescribed Drugs:

- Any medicinal drugs belonging to centre staff should be kept in a secure place, away from children's reach. Training We require the named persons to:
