Dear Parents and Carers

Welcome back after our half term holiday and it is lovely to see the sun, although a little late!

We have a busy half term ahead so please keep a check on all the diary dates. Last month flew past with the start of the month seeing us having our superb May Fair. Once again, it was good to see the event so well supported and thanks to all your fundraising activities I am thrilled that the Friends have raised over £2,000- so thank you so very much for your support.

We have had some exciting enrichment activities this month. 'Night Owls' brought in their beautiful birds and some year groups were treated to a flying display and talk. The owls flew in hall! Year 4 had the 'Pop-up Planetarium' which was much bigger than we all expected. The whole class could walk inside and see the night sky projected - it was a real WOW!

On Friday we will be having our first Fun Run and I hope it can become an annual calendar event. The intention is to have the whole school community come together and have 'fun'. For many, running will add an extra challenge and bring out the competitive spirit and for others it will be a time to enjoy doing an activity together. Do join in the fun and run or walk for your child's house. You will need to collect a coloured house record card to collect the points for each lap you do.

Sports Days will be upon us and hopefully this year the weather will be kinder. Saplings and Acorns will have their Sports days as separate sessions in the same way the Christmas performances were organised. Classes from Year 1-3 will have the multi-activity House Sports Day where parents support as their children participate in a variety of sporting challenges. It is fun for all but you will be expected to follow your child around.

There will be the more traditional track event for Years 4-6 with field events planned for the morning. There will be an events programme sent out shortly so you will be able to see when your child's event is taking place. If your child is in a field event then you are very welcome to come to the school during the morning to see your child compete. The Sports Day afternoon is for track events only and will have a tight running schedule. Do come along to support your child's House. FoSB will be at the event to serve teas, coffees and strawberries! Check the website calendar for dates:

<http://www.stbernadetteschool.com/home.htm>

I will be giving out class information in the July newsletter with all staffing information ready for September.

I look forward to seeing many of you in the Fun Run on Friday.

God bless you all. Mrs Clewlow
