Dear Parents and Carers,

Once again we come to the end of a term. We say farewell and good luck to Mrs Stedman, Kangaroo class' teaching assistant who leaves to start her maternity leave. We look forward to some wonderful news in the near future. We also say farewell to Mr. Murphy, Lion class teaching assistant, who takes up a post in another school in Milton Keynes. I thank them both for their hard work and pass on good wishes from all in St. Bernadette's.

This term has been very busy term and all the children have been very focussed on their learning. St. Bernadette's University has been particularly successful with a wide variety of new skills offered. Watch out this week for the Summer Term courses and encourage your child to sign up. The courses are very popular so return forms as soon as possible and we will endeavour to allow every child to access at least one course.

On Sunday 23rd March the school choir sang at a Music For Youth concert in Bedford. They were amazing and the comments from the professional mentors who gave feedback was superb. "The best rendition of....superb articulation.....wonderful tone... evidence of hours of hard work". There should be a report shortly on the website with more information.

Congratulations and well done to all.

Please remember that it only shows the lates **after** the register closes- you will know there are a great many running in at 8.50. Let's see if this can be improved next month. In one class this ran to 158 lates!

Medical appointments

Please could non urgent appointments be made for after school hours. There is much disruption to the your child's learning and others each time the class is disturbed. Please allow time if you do have to collect your child and remember to show the office staff an official medical/appointment card.

And finally may I wish you all a very happy Easter. I hope you will all find time to spend with your families and hope that the weather provides a little sunshine. Please encourage your children to have fun but also keep up with reading and learning- plan a visit to a museum or even a trip to the Library.

My good wishes and blessings for the rest of Lent.

Mrs Clewlow
