Mon 2 nd June	Start of Summer Term
Mon 16 th June	School Closed for staff training

Dear Parents and Carers,

We have reached another half term break. Year 6 children have completed their national tests and my congratulations go to them all for the mature and sensible manner in which they conducted themselves. I hope they are rewarded for their hard work with the results that they deserve.

My weekend was brightened by our May Fair and the most wonderful weather. Please may I extend my thanks to all those who helped and supported, whether you were helping on a stall or supporting by spending money. I hope you all had great fun. It was so wonderful to see our community relaxed and enjoying each other's good company. Good company, food, fun and sunshine- a perfect combination!

Thank you for the huge sum raised- over £2,200

At the fair we officially opened our Forest school and our new Solar Panels. Thank you to Gazeley for such generous funding to pay for the panels. This will sustain the school for the future and support our application for Gold Eco Award.

Our current charity focus is Cancer Research.

Congratulations KS1 on a fantastic mini Race for Life

- please remember to bring your sponsor money in!

Further fundraising events organised by pupils and staff will be held after the half-term holiday.

A team of St Bernadette's staff (*St Bernadette's Bees*) will be taking part in the official

Race for Life on June 8th at Campbell Park.

Please do consider sponsoring them and supporting the invaluable work of Cancer Research via the link below:

Thank you!

And finally may I wish you all a very happy half term break. Enjoy time with the family and stay safe. Good wishes and God bless you all. Mrs Clewlow
