Dear Parents and Carers,

As we approach Christmas, school life gets increasingly busy so please look out for newsletters and updates from other staff. You may well get asked to assist with the learning of words and songs for the Christmas plays. Enjoy and I know you will be surprised when you see your child perform later this month. Year 3 and 4 pupils will get their chance at the Easter play.

We have some good news of more sporting achievements with our first win at the local tournaments. This week our basketballers won at St. Paul's. Our Footballers also won their match last night - an exciting penalty shootout! Congratulations to all those who took part.

Our new choir performed at the remembrance service- they sang so beautifully and with great sensitivity. If any parent has access to professional recording equipment I would love to record this to a CD so that we can add it to our website.

I do have some serious concerns about car drivers driving/mounting the pavement near the post box and in front of residents' gates. This is very dangerous and inconsiderate. We have seen a number of near misses where children are not seen crossing the road. Please **do not park** on the pavement or in front of driveways. The local police will be visiting to monitor the situation.

And finally, I look forward to seeing many of you at the International Evening. I represented Asia last year with my family roots coming from India, This year I shall represent a different continent. You need to come along to see!

God bless. Mrs Clewlow
