Staffing Changes and Classes for September 2015

We have some farewells to staff who are moving onto promotions and exciting challenges. Congratulations to them all!

- Mrs Grove moves onto a Deputy Head position in Bedford. Mrs Grove has been with the school from its earliest days and has led English teaching across the school to finally achieve the outstanding judgement from Ofsted last year. We wish her all the very best.
- Mrs Slinn moves onto SEN Advisor for Mid Beds- a very prestigious role. She has championed inclusion across the school and I know many families will have appreciated the very personal support that they have received.
- Mrs Donnelly takes up an Education position for Anglian Water and Mrs Lazzari sadly is taking a break from teaching. We will miss them very much.
- Mrs Patel starts her maternity leave.
- Mr Collins is leaving to take up his place on a Teacher Training course. Good luck.

We welcome new staff to the school and we are very fortunate to have found some superb teachers. You will see their names on the class lists. It is an exciting time to build a new Middle Leadership Team to maintain our high quality delivery of education for your children.

Here are the class arrangements for 2015. Look at your child's current class and read across to see their new class. Not all staff are listed here. This is just to show the classes.
