

School Matters June 2016 Issue No.20

Classes for 2016

The school is in a positive position to know its staffing for September and the earlier this can be shared the better it is for transition to the next year. We do not always know our staffing this far in advance but clearly teachers are attracted to working in St. Bernadette's and this helps us provide a stable and effective staffing structure for your children. We welcome back Mrs Patel and Mrs White from maternity leave and they take up their part-time positions. Sharing of classes has always worked for our school and we plan very carefully to ensure the curriculum is taught effectively between the teachers. I also have senior leaders who require some time out of the classroom and the part-time staff support these arrangements.

We welcome back Mr Collins who some of you will know from when he was in Foundation. There have been some changes to year groups ensuring that teachers develop professionally across the school. Mrs Smith, Assistant Head and SENCo, will not have class responsibility but will still be providing Maths teaching and some cover in Years 5 and 6. Mrs Zamora, Deputy Head, continues to teach maths in Year 6.

Current class	New Class	Teacher
-	Nursery am and pm	Mrs Cattigan am Mrs Lazzari pm
To be confirmed at Induction Evening	Year R Saplings B	Mrs White and Mrs Morris
