Stantonbury Athletics

Friday 24th June
Competition Heats

48 children from St Bernadette's went to compete in the Stantonbury Athletics Competition against the other schools in Milton Keynes. We had a junior team with 12 girls and 12 boys and a senior team with 12 girls and 12 boys. Mrs Rodricks and Mr Marchant were in charge of the junior team and Mrs Clarke and Miss Bond were in charge of the senior team, Mr Small was the overall manager. We competed in events we had been selected for. The junior teams did their field events first and the senior teams did their track events first. Tison in year six won his 200m while Olly came third in his race. Aaron and Leonel in year 5 both came close seconds in their 100m heats. Unfortunately we could not complete the relays due to a very heavy rain shower.

Catholic Schools Sports Day

On Tuesday 14th June, 43 children from years four, five and six travelled to St Paul's to take part in the annual Sports Day against the other catholic schools in Milton Keynes. We took part in lots of events in three different areas, these were track events, field events and the Tug Of War. The Year Fives did really well in the track events, with Leonel, Kirsty, Alex, Maria and Sophie all coming first in their races! The Year sixes did well in their track events as well with Cameron winning the 800 meters. We also came second in the ball throw. Shortly after the morning events had been completed, we had our lunch before the relays in the afternoon! However during lunch it rained very heavily and therefore the officials decided that it was too dangerous to do the relays. Therefore we waited patiently for the results! In the end we came second for the second year in a row. Thanks to all the adults for taking us we had a great time

Y5/6 Kwik Cricket Festival Wednesday 8th June

On Wednesday 8th June a team of 8 year five and six boys went to Milton Keynes Cricket Club to compete against other schools in a kwik cricket festival. We played against six other schools, with each match lasting about 30 minutes. In each match we batted for 8 overs and fielded for 8 overs. In the first game we played against the hardest team there who had two county players. But Nathan bowled a great delivery to get one of their batsman out. We won our second and third games where Solistan, Tyrone, Joseph, Faiz and Faisal all hit sixes. We lost the rest of the games but they were all close games. We finished the tournament in joint fourth place. Thanks to Mr Marchant for taking us.

Anyone for Tennis!!

Four year five and six children took part in the tennis tournament at Woughton on the Green. In our team we had two boys and two girls. We each played six matches against players from other schools. We played brilliantly as a team winning 17 out of a possible 24 matches. Emmanuel was only a point away from winning all of his matches. But in the end we just came up short against Gilesbrook who had some very strong players. However our 17 wins were enough to get us second place in the tournament. Thanks to Mr Marchant for taking us and supporting us on the day!

Hockey League

Year 5/6 Hockey League

Throughout September and October the year five and six hockey team competed in matches and skill events at Woughton On the Green. The first few weeks consisted of skill development games, which would get us prepare for the matches against other schools in the last two weeks. We worked on passing, dribbling and turning with the ball, defending and shooting. Tison was the goalkeeper and had to wear the proper hockey goalie kit, which meant he had to wear a massive helmet! We started off slowly in our matches, but we got more confident and our best win came against Christ The Sower with a great goal from Emmanuel. Thanks to Mr Small, Miss Phillips and Mrs Baggaley for taking us.

Year 5/6 Handball

Year 5/6 Handball Festival Thursday 28th April

On the 28th April the Year five and six Handball team went to Radcliffe School for a tournament. We played six matches. In the first game we played against a very tall team who were hard to throw past, although we lost the match Joseph scored three goals. One of the main rules of the Handball tournament was that we could only take three steps with the ball and we were not allowed in the goalies area. Despite a few close games we didn't win a game but we really enjoyed the festival and the games. Our favourite moment was when Ronnie scored four goals in a row in one game! Thank you to Mr Marchant and Miss Phillips for taking us.

Rounders

On Tuesday 23rd May the Year 5 and 6 Rounders team attended a rounders tournament at Shenley Brook End School. Our team persisted through all four of our matches that we played. The other schools attending were Priory Rise School, Christ The Sower, Emerson Valley and Two Mile Ash School. Our first game went really well and we were against Emerson Valley where Louie, Tyrone, Maame, Joseph and Nathan all scored rounders. We won the game by more than 2 rounders.

Our next game resulted a draw against Two Mile Ash School, after one of their players was badly injured! Our 3rd Game was against Priory Rise School. Unfortunately we lost 8-5, but this didn't put us down for our last game. Finally our last game was against Christ The Sower who were by far the best team we played against. Even though we lost that game, we had done enough to qualify for the finals by finishing in second place overall. Thanks to Mr Marchant and Mr Small for taking us.
